INFORMATION/DETAILS:

Boats are equipped with twin outboard 70HP Johnson motors. Front sliding doors have been recently updated and replaced. Ramps have been added for easy access to beach when shored. Hot water heater; freezer/refrigerator; stove and oven; two heaters; slide; bathroom has tub/shower; three bunk areas with sleeping capacity of two on bottom and one single bunk combo; two hide-a-bed couches; table and chairs; upper and lower helms; large sundeck area on top. Houseboats are maintained on a regular basis. Repair log available upon request.

BID PROCESS:

The houseboats are available to view by appointment. Currently they are on dry storage at the Marina for you to walk through and inspect.

Bids/offers can be made during your visit or called in to the office.

NOTATION:

Please Note; Wet moorage is NOT available at Keller Ferry.
Buyer will be responsible for transporting the houseboat.
